Synopsis: Request SAC authorization to open and assign the above referenced case, and to notify FBIHQ Transnational Criminal Enterprise Section of this investigation.

Background: In August of 2005, a Las Vegas Metropolitan Police Department's (LVMPD) Confidential Informant (CI) provided information in reference to an Asian brothel located at [REDACTED]. [REDACTED] With the information obtained, CI along with [REDACTED] went to the residence in order to gather further intelligence on the brothel. [REDACTED] and CI observed approximately four or five Asian women working as prostitutes, but were unable to identify the brothel owner at the time. As the investigation continued, the [REDACTED] and CI discovered that the brothel owner had shut down the business and moved to an unknown location. It has been common practice of the brothel owner to shut down business approximately every three months and move to a new location within Las Vegas. CI was able to obtain a telephone number, [REDACTED] belonging to one of the women in the house in order to keep track of new brothel locations.

In February of 2006, CI found the new location of the brothel located at [REDACTED]. [REDACTED] placed a phone call to this address and spoke with a female who identified herself as [REDACTED] stated that she had about five girls working at the new location. A one week surveillance was conducted at this address and it revealed that many male subjects were going in and out of this apartment. A

At this point we then proceeded to sit down at the table where we further engaged in conversation. I explained to [redacted] but that I do want to get involved in the Asian brothel business, because it appears to be extremely lucrative. She began to laugh and stated that "It was." [redacted] She stated "Anywhere from 60 to 62 customers per day would be the average". She then again stated that she works day shift, and on day shift it starts getting busy around 11:00am to approximately 3:00pm. She said then it dies down then it picks back up again around 6:00pm, when people begin to get off work. She stated that [redacted] prior to working for [redacted] and [redacted]. She said [redacted] works the swing shift hours. I asked her what [redacted] does and she said [redacted]. She said that they advertise in the City Life and it costs them \$50.00 per week to advertise.

b6

I stated to her that I may like to do one brothel that like caters to the locals, but my [redacted] that [redacted] I stated that these people will not be showing up in Taxi's they will be showing up in Limo's. They will not be paying \$100 to \$150, what appears to be the norm, they will be paying prices starting at \$400 to \$500. I stated it is [redacted].

b6

[redacted] I further explained to her that [redacted] had explained to me that brokers were very important. She stated "Yes". She stated "The brokers are the ones that arrange to get the girls to their brothel". She stated "That 80% of her girls come from one broker and this broker is one of the best she knows of". I asked her his name and she stated [redacted]. I asked what he did for a living and she stated that [redacted]. I then asked if he is a white guy. She stated "No, he is Korean", he is a [redacted] he shows up throughout the week and takes envelopes of money from the girls". It was apparent to me that the girls save all their money and all their money appears to be going to the brokers. She stated "I don't ask any questions, I just see all the big fat envelopes going from the girls to the brokers". I asked how much they charge for sex. She stated they charge less for Asian males, but they charge \$150 for white males. She stated "The girls keep a \$100 and the house gets \$50". She stated "Once a week [redacted] will go around to each girl, collect \$20, and [redacted] with that money will then go buy food and water for the brothel". I stated I had a fear of getting into the business and having the girls just up and leave and then we were left with no girls.

Then she stated " No, the girls do not leave, the girls are not allowed to leave, they have to stay within the brothel". She stated "They work from 10:00 in the morning till approximately 5:00 in the morning, sometimes longer on the weekends". She stated "The girls stay here for 10 days and then the brokers will rotate them out". She stated "She will request a girl to stay longer and she may get permission from the broker to keep the girl 2 to 3 days if the girl is a really good producer".

There is not much triad activity in the Las Vegas valley area. Gambling, book making, and loans are a big triad business and these are all legal in Las Vegas.

Detective [REDACTED]

Is it okay if I call you [REDACTED] That's what you go by, right [REDACTED] So I'm
going to call you [REDACTED]

b6
b7C
b7D

Is that just between me and you.

Yeah. This is just between...this is being recorded right now. Anything I
ask you....

Does that go to the media, no?

No. It's not going to the media. It's not going to be released to the media.

I promise you that. And it's being recorded, okay. Nothing is going to be
released. So basically I'm going to ask you a few questions [REDACTED]

b6
b7C
b7D

[REDACTED]

b6
b7C
b7D

[REDACTED]

I told you that much. Is that right?

[REDACTED]

Yeah.

b6
b7C
b7D

Like I said again

[REDACTED]

[REDACTED]

Alright.

[REDACTED]

Alright.

So you have been interviewed by Special Agent [REDACTED] of the

b6
b7C
b7D

FBI on [REDACTED]. And I'm basically going to ask you the same questions

that he asked and you're probably going to give me the same answers. [REDACTED]

[REDACTED]

[redacted] talk to me?

Yeah.

Okay.

[redacted] 4325 San

Joaquin, right.

[redacted]

[redacted]

[redacted]

[redacted]

[redacted]

Uh-huh.

[redacted]

And what?

[redacted]

[redacted]

[redacted] The girls got the money though.

Okay when the customer goes in there, I guess it all depends on what kind of customer it is. For Asian it's \$120?

\$120, yeah.

And how much is....out of \$120, how much goes to the house.

The house gets \$40 and the girls get \$80.

Okay.

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Okay.

See what I'm saying.

I know [REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Yeah.

Okay, that was my question. [REDACTED]

[REDACTED]

[REDACTED]

b6
b7C
b7D

b6
b7C
b7D

b6
b7C
b7D

b6
b7C
b7D

Okay so [redacted]

b6
b7C
b7D

Okay. [redacted]

[redacted] there like almost everyday.

Almost everyday?

b6
b7C
b7D

Right.

Okay.

But my question is, [redacted]

b6
b7C
b7D

Every other night, yeah.

Almost every night.

Yeah.

[redacted] really doesn't show up that much now.

b6
b7C
b7D

Now how long have [redacted]

There's problems with them too. I mean, there's (l) problems. Cause like

[redacted]

[redacted]

But the place is 4325 San Joaquin. That's [redacted] place though, right.

b6
b7C
b7D

[redacted]

Like everybody knows [redacted] place.

Yeah, [redacted]

[redacted] place. And [redacted]

b6
b7C
b7D

[redacted] No?

Yeah, probably, like. [redacted]

[redacted]

[redacted]

[redacted]

[redacted]

b6
b7C
b7D

Okay.

[redacted]

Right, right. [redacted]

Yeah.

[redacted]

b6
b7C
b7D

[redacted]

[redacted]

Yeah. [redacted]

[redacted]

Yeah. Cause that's how I met...how I know them.

Okay. Was there any other place [redacted] Other than
San Joaquin address?

b6
b7C
b7D

Like, [redacted] just got one place.

Uh-huh.

[redacted]

[redacted]

[redacted] Something like that.

Okay.

b6
b7C
b7D

[redacted] It's not. It's just
one house.

I know that. I know. But before they went to San Joaquin address, they
work....they had working elsewhere. Other location.

[redacted] there is a place on Eldon.

Okay.

But I mean, that place...that was like two years ago, three years ago.

b6
b7C
b7D

[redacted] That is San Joaquin address. That was the

[redacted]

Yeah.

[redacted] on the apartment on [redacted]

Oh, [redacted] up there?

b6
b7C
b7D

Yeah, the [redacted]

I know there's a place other there. [redacted]

[redacted]

I think it's like [redacted] or something like that.

Yeah. [redacted] I know there's a place over there but I

mean. [redacted] [redacted]

Oh, has [redacted]

b6
b7C
b7D

That's how I know that.

Okay. Where is [redacted] now?

[redacted] at home right now.

[redacted] talk to you?

Yeah, [redacted] talk to me.

Okay.

Cause me and [redacted]

[redacted] We're just friends.

Okay. [REDACTED]

Um, it depends though. It depends.

[REDACTED]

[REDACTED]

[REDACTED] Like um, [REDACTED] my friend. [REDACTED]

[REDACTED] It's a lot busy

because [REDACTED] has now opened. That's why, I mean basically all the customer goes to that place.

Uh-huh.

They average about 50 customer a night.

We're going to get to [REDACTED] later on but...

At that time. But right now it's around like 20 customers. Something like that.

20 customers a day?

20, 20....like weekends, like 25-30.

So 20 plus like on a weekdays and 25-30....

30 customers a weekend.

Okay.

Now before, it's really (I).

[REDACTED]

[REDACTED]

b6
b7C
b7D

b6
b7C
b7D

b6
b7C
b7D

[redacted] What about [redacted]

b6
b7C
b7D

Same.

Same?

Yeah.

So you [redacted]

Cause they don't like... [redacted]

[redacted]

Okay.

Cause all they need is [redacted]

[redacted]

[redacted]

b6
b7C
b7D

Do you ever talk to [redacted]

Yeah, sometimes.

[redacted]

ask you.

Unless [redacted]

Has [redacted]

Oh I mean [redacted]

[redacted] Some people work over

there. They're (I).

Before we go any further [redacted] We know this is a brothel. But just for the

b6
b7C
b7D

record, we are talking about....it's not a massage place. This is a prostitution house. Customers come in to have sex with girls in there, correct?

Yeah.

[REDACTED]

[REDACTED]

Yeah.

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Let the [REDACTED]

[REDACTED]

That's it.

Okay. And the customer usually come in. They use....who introduces the girls to the customer?

[REDACTED]

[REDACTED] Just see whoever he likes.

Okay. So the girls are usually are kind of lined up in one place. And the customers just go in and pick and choose which one they wanted. They just go to the room and have sex, correct. And do they pay before or after?

It's up to the girls.

b6
b7C
b7D

b6
b7C
b7D

Okay.

But mostly girls, they want like get the money first.

Uh-huh.

Cause I mean, they don't want to deal with any problems showing up over there.

Sure, okay. How many girls do they usually have at San Joaquin address?

The San Joaquin address. It all depends though. [REDACTED]

[REDACTED]

[REDACTED] four, five girls.

Four or five girls. Okay. [REDACTED] There was a juvenile in the house.

What's juvenile.

A minor. [REDACTED]

[REDACTED] Have you seen [REDACTED] before.

No.

That was the first time?

Yeah. [REDACTED] a jun...minor. Whatever that is?

Juvenile.

What is that?

Juvenile is underage. [REDACTED] Under the age of 16 or 18 should I say. [REDACTED]

b6
b7C
b7D

b6
b7C
b7D

Oh wow. For real. I didn't know that. Cause [redacted] brought

[redacted]
Uh-huh. Have you seen [redacted] before. [redacted] drop other girls over there.

Yeah one time. One time.

Same girl or different girl?

Different girl.

[redacted]
I don't really know him that much.

He just brings the girl there.

Yeah, I mean [redacted] That's it.

So who do you have to talk to you know, to have [redacted] over there.

Either [redacted]

Either [redacted]

Yeah.

So this guy had to talk to either [redacted]

[redacted] Correct?

I don't know. [redacted] Cause what if like...what they do is

this way. [redacted] mean....mostly girls. I mean, not saying the [redacted]

[redacted] ask how many girls you got.

b6
b7C
b7D

b6
b7C
b7D

b6
b7C
b7D

Uh-huh.

And like what's [redacted] So can you make a [redacted] or
whatever. They ask them... [redacted]

Okay. Well let me ask you about the [redacted] The girls are [redacted]

[redacted] Who brings the girls
to [redacted] place.

[redacted]

[redacted]

[redacted]

[redacted]

I don't know how [redacted]

[redacted]

Okay.

Cause like....what I know is like...

How many girls do you think [redacted]

[redacted] I mean, [redacted]

[redacted]

b6
b7C
b7D

b6
b7C
b7D

b6
b7C
b7D

So how long [redacted]

to....

That's a long time now.

For a long time. How many?

I don't know how many years. But that's a long time now.

So basically, [redacted]

[redacted] correct?

Yeah.

So you [redacted] How many times have you
seen [redacted]

[redacted]

[redacted]

Right.

[redacted] I mean, cause [redacted]

Oh, so you [redacted] over there. So you knew about this business.

Although you [redacted] but you knew what was going on there.

Yeah.

A year ago, right?

Like [redacted]

Okay. And you've seen [redacted] then.

I seen [redacted] yeah. Over there.

b6
b7C
b7D

b6
b7C
b7D

b6
b7C
b7D

So how many would you say that he...

Like, I told you. The place is like...like before it's like...

b6
b7C
b7D

Right.

Cause every

They get

But now it's slow every like

Just bring

b6
b7C
b7D

Okay.

Okay. Do you know

Um...

have you met

I don't really know

but I know who that is.

But you haven't actually met

Like what do you mean met

Have you talk to

No. Not officially talk to

Just say hi or whatever. Just go by saying hi.

b6
b7C
b7D

But [] knows []

b6
b7C
b7D

[]
[] .know that person or who
that person is over there.

Okay. Who do you think [] getting girls from? From [] too?
[] too.

So []

Like, there are only a couple of big places like (I) couple girls. Like,

[] place, there's like [] girls over there. I want to say like []
[] girls [] brought.

b6
b7C
b7D

Do you talk to []

[]

Have you talk to him ever since []

b6
b7C
b7D

No.

Has he called your or any....

No. []

Okay. Has anybody tried to call you?

[]

Yeah.

I can only remember [] number and a couple of numbers. That's it.

How long has [] Do you know

[] real name.

His real, real name.

Yeah, his real [] name?

His real name?

What do you call him? Do you call him [] or what?

We call him [] but I know what name he goes by but...real, real name,
we don't know.

Okay. What name does he go by?

[] But I mean, that's not a real name though.

That's not his real name?

That's not his real, real name.

What's his real, real name?

I don't even know.

I thought that was his real name.

No. That's not even his real name.

No.

He's got a real, real name though.

Does he.

There's only two, [] That's three. But his real name is only
two. But nobody, not a lot of people knows about it.

b6
b7C
b7D

b6
b7C
b7D

b6
b7C
b7D

[REDACTED] Oh yeah.

His real, real name. That's what I'm saying.

I wonder why.

I don't know. He got his real, real name. But it's not real....

Like a real [REDACTED] name.

Real, real name. It's different though.

Well he's illegal in this country anyways. So he's going to get deported.

But what I know is like he used this name to build up his credit or whatever.

[REDACTED]

Yeah. And he's got a real, real name though.

Not [REDACTED]

No. [REDACTED]

Have you seen [REDACTED]

Who is [REDACTED]

[REDACTED] is like a....it's a [REDACTED] guy like you know, he combs his hair back all the way. Sometimes with a ponytail.

Oh, okay. I know who that is. But I mean, I don't know his real name.

What does he do?

That's [REDACTED]

That's [REDACTED]

It's (I).

b6
b7C
b7D

b6
b7C
b7D

b6
b7C
b7D

[REDACTED]
Yeah.

Have you seen him before?

With the long hair?

Yeah.

Yeah, I know who that is.

Have you seen him?

Yeah. I've seen him.

What I'm going to do afterwards.....

But he doesn't live here though.

He's in [REDACTED]

He's in [REDACTED] and like his [REDACTED] And he comes here
and..sometimes.

Okay.

Sometimes. [REDACTED] doesn't go back to [REDACTED] that much and they got a

[REDACTED] And stay

at the (I). That's the place where they stay.

Okay. [REDACTED] is not involved in this house?

Prostitution? You don't think.

That's [REDACTED] (I) it's not related to the house for
real.

[redacted] when we arrested him. He had like thousand pills of ecstasy. So he's involved in selling narcotics. Did you know about that?

b6
b7C
b7D

I...I know he sells though.

Who does he sell too?

I don't know.

[redacted]

No.

[redacted]

b6
b7C
b7D

[redacted] I think he sells to the drivers or whatever.

The cab drivers.

The drivers over there, yeah. And like....

Does he know [redacted] you think?

Yeah, he know like....he knows like (I). He knows.....and um, what else.

Do you think it's possible tha [redacted] is the one who is selling that to him.

No. He...but I don't know what he do. But he like... [redacted] is a normal guy. He's not a criminal. He's a normal guy. And he doesn't do those like (I) stuff I think.

b6
b7C
b7D

Yeah.

As far as I know. But I don't know who he can access it from. I don't know.

But I know he doesn't have those though. And he does something else too.

[REDACTED] Like what, meth?

Not Meth.

Cocaine?

No. Nothing drugs. He does the money loans.

A loan shark?

Not a loan shark. Like okay, you want money and how much you want to borrow. Say I'm borrowing like \$10,000 from you. And I give you 10 days and the interest was 10%. Plus the \$10,000 back.

Right. So a loan shark. That's what it is. Loan shark.

I don't know what you call it.

Yeah, he lends you money with a high interest rate basically. So what happens if you don't pay money...pay the money back.

b6
b7C
b7D

[REDACTED]

Okay. Alright, that's fine. Anything else you can think of. Is there anything you can tell us about [REDACTED]

[REDACTED]

I know she's been in this business....how long do you think she's been in this business?

I think two or three years.

Las Vegas Metropolitan Police Department
By: Det. [redacted] ss. [redacted]

COUNTY OF CLARK

Detective [redacted], being first duly sworn, deposes and says:

That he is a police officer with the Las Vegas Metropolitan Police Department, being so employed for a period of 11 years, assigned to investigate the crime(s) of PANDERING/ PLACING PERSON IN A HOUSE OF PROSTITUTION committed on or about August 27, 2007, which investigation has developed [redacted] as the perpetrator thereof.

THAT DECLARANT DEVELOPED THE FOLLOWING FACTS IN THE COURSE OF THE INVESTIGATION OF SAID CRIME TO WIT:

That on August 27, 2007, I Detective [redacted] (Hereafter referred to as your Affiant) While assigned to the Las Vegas Metropolitan Police Department Vice Section (Hereafter referred to as LVMPD) and the Anti Trafficking League Against Slavery Task Force (Hereafter referred to as A.T.L.A.S), was investigating vice related crimes through the use of City Life Magazine.

That your Affiant located an advertisement in the City Life Magazine, on page 68 of the August issue dated the 23rd through the 29th. This advertisement read "Asian Massage come over and see me I'm lonely 702-538-2808.

That on August 27, 2007, at about 2000 hours your Affiant placed a phone call to 702-538-2808 the number listed on the advertisement and spoke with an Asian sounding female who answered the phone. During this conversation the female asked your Affiant if "he was coming over now because they were not busy". Your Affiant asked the Asian female if she would pick your Affiant up at the "Luxor Hotel" and her reply was "I'm too busy". Also during this conversation your Affiant was informed by the Asian female that the cost would be \$150.00 for "full service" ("Full service" is a term used to describe sexual intercourse and fellatio). your Affiant asked whether he needed to bring condoms with him. The Asian female replied " No we provide everything". Your Affiant also asked if it was ok to have "sex with two girls", and the Asian female replied "it still \$150.00 for each girl and no discounts". Before hanging up the phone the Asian female informed your Affiant they were located near Flamingo and Decatur.

That on August 27, 2007, at about 2330 hours your Affiant placed another phone call to 702538-2808 number from the advertisement and spoke with the same Asian sounding female. During this conversation your Affiant told her he had spoke with her earlier about coming over. This Asian female said she remembered talking to your Affiant and asked if he was coming over now. your Affiant told her that he was leaving the "Luxor Hotel" and needed directions to her place. The Asian female then gave me directions to the address of 3573 S. Arville #602A, Las Vegas, Nevada, 89103, and stated that it was the Pine Grove Condominiums.

That Approximately 15 minutes later your Affiant along with Detective [redacted], Detective [redacted] Detective [redacted], and Detective [redacted] conducted surveillance

at 3573 S. Arville #602A. During this surveillance three unknown male subjects were seen exiting the residence by Detectives [redacted] and Detective [redacted]. These subjects got into an awaiting taxi cab parked outside. Your Affiant then while operating in an undercover capacity approached the residence while being monitored and surveilled by listed Detectives. As your Affiant approached the front of the residence your Affiant observed white passenger van with California license plate [redacted] occupied by six Asian males. The Asian passengers exited the van as the Asian driver knocked on the door of the residence. An Asian male later identified as [redacted] opened the door. [redacted] was identified after your Affiant had received a copy of [redacted] Nevada drivers license photo which your Affiant recognized as that of the Asian male who answered the door. This copy of the Nevada drivers license along with other subject photos were forwarded to the Vice Section via the F.B.I. When [redacted] answered the door he allowed the Asian males to enter and asked if your Affiant belonged to this party also. Your Affiant stated "No I called and set up an appointment with a female". [redacted] allowed your Affiant to enter the residence with the other Asian subjects. While inside the residence [redacted] walked to the back bedroom and returned with two Asian Females. [redacted] had them stand in the middle of the living room as he introduced them to the group. [redacted] then stated "these are the two girls I have working tonight". [redacted] asked your Affiant if your Affiant was ready. Your Affiant then reconfirmed with [redacted] the agreement of \$150.00 for "full service", which your Affiant had previously discussed with the Asian female over the phone. Your Affiant asked [redacted] if there were any other girls working tonight such as "skinny females". [redacted] stated, these are the only two girls "working", which is a street term used to describe conducting prostitution activity. Your Affiant asked [redacted] whether other girls would be working later tonight or possibly tomorrow. [redacted] responded, "not the type your looking for". Your Affiant then exited the residence without incident.

b6
b7C

During the time your Affiant was inside the residence [redacted] appeared to be controlling the entire operation. [redacted] is the one that brought the Asian females out into the living room from the back bedroom. [redacted] also directed the Asian Females to stand in front of the group of males while he introduced them as the two females he had "working" tonight. [redacted] also reconfirmed the agreement which your Affiant had previously arranged over the phone with the Asian female. Per this agreement your Affiant was to receive sexual intercourse and fellatio for \$150.00. After confirming this agreement [redacted] then told your Affiant that he did not have to worry about having condoms because they provided them. [redacted] was also heard making arrangements with the Asian driver. The Asian driver asked [redacted] if a Columbian girl was "working" tonight, and [redacted] told him that she would be there shortly. The residence had very little furniture inside which from your Affiants training and experience is consistent with illegal brothels.

b6
b7C

On September 14, 2007 at approximately 0015 hours your Affiant along with Detective [redacted] Detective [redacted] Detective [redacted] and Sergeant [redacted] executed a search warrant on 3573 S. Arville #602A, Las Vegas, Nevada, 89103. During the execution of this search warrant [redacted] was, nor any other subjects were present inside the residence. There was although numerous items found inside this residence which leads to believe this residence is still operating as an illegal brothel. These items included several condoms found inside small bags, lubrications and oils found on bedroom night stands, mattresses on the floors in the bedrooms with just sheets attached, as well as several towels by the beds and in the closets. There was also a surveillance camera attached to the front entry door of which the monitor was found on the kitchen counter. This all of which is consistent to how illegal

Also found inside the residence was several articles of mail and miscellaneous paperwork in the name of [REDACTED] is one of the Asian females who was working on August 27, 2007, When your Affiant entered the residence. This was Determined after your Affiant received a Nevada DMV photo from Detective [REDACTED] after he had contacted [REDACTED] during another illegal Asian Brothel investigation.

Wherefore, declarant prays that a Warrant of Arrest be issued for suspect [REDACTED] on a charge(s) of PANDERING/ PLACING PERSON IN A HOUSE OF PROSTITUTION.

On 08/27/07, I, Det. [redacted] while assigned to the Atlas Task Force, was investigating prostitution through the aid of a City Life magazine. During this time I had occasion to observe an ad stating, "Asian massage. Come over and see me, I'm lonely. 538-2808."

At approximately 1858 hrs, I placed a phone call in to this ad and spoke with an unidentified Asian sounding female who answered the phone. I asked if I could come over and get a massage. She said, "You can come over now. We're not busy." I then told the Asian sounding female that I was staying at the Luxor Hotel and if she could come and pick me up. She then replied, "I can't come over honey, I'm very busy." I said, "Okay, I'll take a cab there then." I then asked this female if I needed to bring condoms. She said, "No, we provide everything." She then told me it was \$150.00 for full service." I asked her if she had two girls available so that I can do a threesome. She sounded puzzled and didn't understand what I was talking about. I said, "You know, I want two girls." She replied, "It's \$150.00 for each girl. No discount." I then asked her again, could I receive some type of discount to have sex with both females since I was going to have two. She then stated, "No, \$150.00 for each girl." I ended the call letting her know I would be calling back later when I was on my way over. I asked her where about she was located and she said, "Near Flamingo and Decatur" and then hung up the phone.

At approximately 2230 hrs, I placed another call in to the number 538-2808 and spoke with the same unknown Asian sounding female who answered the phone. I again told her my name and that I had spoke with her earlier about coming over. The Asian female replied, "Oh, yes, yes, yes, I remember." I told her I was leaving the Luxor and if she could give me directions. She told me how to get there from the Luxor, stating I needed to go to Spring Mountain towards Arville and then make a left on Arville and the place would be on the right hand side. She said the address was 3573 S. Arville #602A. I asked her if it was

a business complex or an apartment complex. She stated, "No, it's condos. The Pine Grove Condominiums." I then informed her that it would take me approximately twenty minutes driving distance from the Luxor and that I would call her when I arrived.

They proceeded to get into a cab, which left the complex. Another vehicle was also seen driving around the area several times. I advised other detectives that I would be getting out on foot.

As I proceeded to apartment 602A, a vehicle was pulling up at the same time. This vehicle was a white passenger van, bearing California [redacted]. The driver then proceeded over to the passenger door and opened it, letting the passengers out. He proceeded to walk up to the apartment in question (602A), knocking on the door. At that point in time an Asian male answered the door. He spoke with the Asian male and all the subjects began to enter the apartment. I too began to enter the apartment, advising the male that I had placed a call earlier to come over. He asked if I was with the party that had just arrived. I stated, "No, I came by myself." Upon entering the apartment all of the Asian males sat on the couch except for the driver. The driver began a conversation with the male in an unknown Asian dialect. At that point in time, two females exited the back bedroom and walked into the livingroom where the Asian male who answered the door stated, "These are the two girls I have working at this time." At that point I asked the Asian male if he had any other girls working other than the two in question. He stated, "Not today." I stated that I had spoke with a person on the phone and I had wanted two females. He stated, "These are the only two I have." I asked him if he would be getting any other females in tomorrow. He stated, "No." I told him what I was looking for, after he had asked, "What type of girl?" I told him, Two females with a very skinny build." He stated, "No, all I have are these two." At that point I said I had forgotten my condoms. He then stated, "No, we have condoms here. You don't need'em." I reconfirmed that it would be \$150.00 for each girl for full service. He stated, "Yes." I asked if he would be getting other females in at a later date. He then stated, "Not the type of girls you're looking for." He said, "All we have are bigger girls." The Asian male passengers were all sitting on the couch. I overheard them speaking in an unknown Asian dialect to the driver of the passenger van. The driver of the passenger van then began speaking with the Asian male who was running the business inside the apartment. While speaking with him, I overheard something about a Columbian female. The Asian female responded that she should be arriving later tonight. After hearing this I asked the Asian male again if he'd be getting some Hispanic or Latin females in. He stated to me, not what I was looking for. I then stated, "Okay, well I guess I'll try calling back later to see if you have other females." He then stated, "Okay" and I walked out of the apartment.
